

Pack Meeting and Hobo Dinner Tuesday, November 17 at 6:45 p.m. Garrison Mill Elementary Cafeteria

Join us for Pack 471's first Hobo Dinner! Come dressed as a hobo and bring canned goods to be donated to MUST Ministries.

Cub Scouts are encouraged to "scout for food donations" in one of two ways:

- go door-to-door and request canned goods from your neighbors, or
- leave a bag on your neighbor's mailbox or front door knob with a note requesting a donation of canned goods to be picked up by you on a specified date. (Please see the sample letter.)

Start collecting those cans, because we will be holding a contest to see which scout can collect the most! Earn a patch if you bring 25 cans or more.

What to Bring:

- One can of food per person for the stew (example: if a family of 2 adults and 3 children attend, bring 5 cans of food to contribute to the stew)
- Scouting for Food donations (canned goods to donate to MUST Ministries)
- Flashlight (adults only)
- Chairs or blankets to sit on

Suggested Food Cans for Stew:

Broth, crushed or diced tomatoes, corn, green beans, carrots, green peas, black-eyed peas, lima or butter beans, black or white beans, potatoes, okra, etc.

Do **not** bring cream-based canned foods (i.e., creamed corn, cream soups), canned meat or fish, sauerkraut, etc.
